

## CorrosionForce

**A corrosion resistant IP65 range for use in all atmospheres laden with salts, acids and mineral oils**

- Good resistance to chemicals and corrosion (polycarbonate free)
- Unique shape and flush toggle design promotes easy cleaning
- For quick and easy maintenance, gear tray simply hangs from internal clips

Photographs, line drawings and photometric data are representative only. For specific product detail please select an individual product.

96234612

### Material/Finish

Canopy: glass-fibre reinforced polyester  
 Diffuser: PMMA with linear prisms  
 Gasket: expanded polyurethane  
 Toggles: stainless steel  
 Gear tray: steel, white enamelled finish

### Installation/Mounting

Cable entry positions at the back and each end of the fitting. Supplied with IP65 grommet. Stainless steel quick-fix brackets supplied with each luminaire. Stainless steel toggles are captive in the canopy to prevent loss during maintenance, and steel gear tray is retained by finger operated spring latches. BESA box and conduit mounting, chain suspension and catenary suspension kits, plus through wire kits are all available. LED version: through wiring end to end is not possible but looping in and out at one end is acceptable. LSOH cabling as standard. Suitable for all indoor plus 'under cover only' applications.

### Specification

To specify state:

High performance, IP65, dust and moisture proof corrosion resistant luminaire with GRP canopy, PMMA diffuser and stainless steel toggles. Digital dimming and emergency options.

As Thorn CorrosionForce II.
