

HiPak

A single point suspension high bay, saving you time, energy and money

- Direct one-for-one replacement of HID high bays, with up to 40% energy saving
- Plug and play connection for rapid installation
- Cooling fin housing design allows air to flow through the luminaire and prevents overheating of components
- Precise lens technology provides light exactly where it is needed, reducing waste light and maximising energy savings

Photographs, line drawings and photometric data are representative only. For specific product detail please select an individual product.

Material/Finish

Housing: Die cast aluminium (RAL 9006)

Lens/Diffuser: Polycarbonate

Luminaire is silicon free

Installation/Mounting

All luminaires are suitable for single point suspension and are supplied with a mounting hook as standard (chain to be ordered separately: 96502605)

Other mounting accessories to be ordered separately: stirrup for wall mounting (96642765), rod suspension for pendant mounting (96642766), wire suspension (96502609) and catenary suspension (96502610).

All luminaires are supplied pre-wired with a quick connector plug
