

## AquaForce II

**A highly durable, IP65 rated, luminaire for use in wet and dusty areas, where reliability is important**

- Deep gasket channel for an assured IP65 seal
- Suspensible gear tray for easy maintenance
- Connect, ready to install versions

Photographs, line drawings and photometric data are representative only. For specific product detail please select an individual product.

96236888

### Material/Finish

Canopy and diffuser: injection moulded fire retardant polycarbonate.  
 Gear tray: sheet steel, white enamel finish  
 Toggles: polycarbonate (stainless steel available)

### Installation/Mounting

Cable entry positions at the back and each end of the fitting. Stainless steel quick-fix brackets supplied with each luminaire. Toggle clips easy to fit and close by hand. Connect versions available with fast electrical connection facility. Conduit box mounting, chain suspension, conduit suspension and catenary suspension kits, plus through wire kits are all available (see accessories listing). Suitable for all indoor plus external 'under cover only' applications.

### Specification

To specify state:  
 Deep channel, polycarbonate IP65 luminaire with stainless steel gear tray and stainless steel fixing clips.  
 As Thorn AquaForce II
