THORN

96267270

 This luminaire contains built-in LED lamps.

 } LED

The lamps cannot be changed in the luminaire.

874/2012 

Detailed description: This is a technical label for a THORN luminaire. It features the brand name 'THORN' at the top right. Below it is the model number '96267270'. A small icon of a lamp is followed by the text 'This luminaire contains built-in LED lamps.' The central part of the label shows a vertical energy efficiency scale with arrows pointing right, labeled A++, A+, A, B, C, D, and E from top to bottom. A blue bracket on the right side of the scale groups the A++, A+, and A levels under the label 'LED'. The B, C, D, and E levels are crossed out with a large red 'X'. Below the scale, a text box states 'The lamps cannot be changed in the luminaire.' At the bottom left is the reference number '874/2012' and at the bottom right is the European Union flag.
