**THORN**

96267364

 This luminaire contains built-in LED lamps.

 } LED

The lamps cannot be changed in the luminaire.

874/2012 

Detailed description: This is a technical label for a THORN luminaire. It features the brand name 'THORN' at the top right. Below it is the model number '96267364'. A small icon of a lamp is followed by the text 'This luminaire contains built-in LED lamps.' The central part of the label shows a vertical energy efficiency scale with arrows pointing right, labeled from 'A++' (green) at the top to 'E' (red) at the bottom. A blue bracket on the right side of the scale groups the 'A++', 'A+', and 'A' levels under the label 'LED'. The 'B', 'C', 'D', and 'E' levels are crossed out with a large red 'X'. Below the scale, a text box states 'The lamps cannot be changed in the luminaire.' At the bottom left is the reference number '874/2012' and at the bottom right is the European Union flag.
