

Omega Circular

The Omega Circular is an extension to the Omega family which offers the freedom to change the geometry of the space

- Freedom of design: When you are looking for something different, we can help create a considered design with all new shapes
- Full family: There is a 300mm, 400mm and 500mm diameter product which offers you the choice to use this family in all kinds of spaces
- Application: Could replace a 600x600mm product in a wide variety of spaces in an office or school
- Unique installation: Created to fit exactly the tools a contractor would have in their toolbox. With the simple twist and lock mechanism we have made the installation simple and easy to complete

Photographs, line drawings and photometric data are representative only. For specific product detail please select an individual product.

Material/Finish

Frame: aluminium

Body: sheet steel

Diffuser: opal acrylic

Installation/Mounting

Suitable for semi recessed using twist and lock function, surface mounted can be achieved with this mechanism also.
